

# **Joliet Archery Club Championship Rules**

## **Purpose**

The purpose of the Joliet Archery Club Championship Series is to increase the involvement of club membership in club activities, introduce scoring rounds representative of the common rounds that competitive club members participate in to those who have not done participated in the past, and to establish divisional club champions as motivation and encouragement to club members who continually strive to continue to improve in archery.

## **Registration**

Entry into the Club Championship Series is limited to current members of Joliet Archery Club. Registration for the Club Championship shall be done on the TeamSnap website. Cost of registration shall be set at the time registration is open and it shall include the cost of registration for the series, a single round of each of the four shoots included in the series, and payment into the payout for each of the rounds.

- Registration for the individual shoots will be open to all club members, but a member must be registered for the club championship series to be eligible for the title of club champion.

## **Payout**

40% of the registration fees will be contributed to the payouts per class/division. There will be a payout for each of the four shoots. The number of archers eligible for prize money will be determined by the number of participants in the given class/division.

- Members who are not registered for the club championship, but choose to register for one of the individual shoots shall pay into the pot for the shoot and are eligible for the payout for that class/division for that shoot.

## **Class/Division**

The divisions and classes of the Club Championship will be consistent with those set by the NFAA and shall be Men's and Women's classes of the following divisions:

- Compound Freestyle
